

National Ocean Scholarship Program

What is the National Ocean Scholarship Program?

As part of the National Ocean Sciences Bowl (NOSB) program's continuing effort to recognize individual achievement as part of the NOSB program, the Consortium for Ocean Leadership offers the National Ocean Scholarship Program. This scholarship program is to provide tuition assistance for NOSB students who have an interest in pursuing an ocean or environmental science-related major in the first year of their post-high school education.

Criteria for the National Ocean Scholarship Program

All applicants for the National Ocean Scholarship Program must meet the following requirements:

- Participate in the National Ocean Sciences Bowl at least once during their high school career
- Pursue a career goal in an ocean science or environmental science related field
- Demonstrate academic success and integrity throughout their high school career
- Be scheduled to graduate high school in the Spring of 2022

Application Process for the National Ocean Scholarship Program

Qualified students are required to submit the following materials:

- Completed application (available on the NOSB website under Scholarship)
- Official High School Transcript(s)
NOTE: If the student's GPA is NOT on a 4.0 scale, the student MUST provide a conversion to the 4.0 grade scale signed by their high school principal or counselor
- Photocopy of an official score sheet from either the SAT or the ACT
- 2 required essays (see topics below)
- Two (2) letters of recommendation [One **must** be from an academic source such as a teacher or a coach]
- Proof of admission to an institution of higher learning (if available currently)

ALL components of a complete application must be received by email by MAY 28th, 2022 to be considered.

******NOTE: Students should include their complete application form, SAT/ACT scores, essays, and proof of admission in ONE email. The two letters of recommendation may be emailed by the providing individuals and official transcripts may be emailed by the school. Any applications with missing materials as of May 28th will NOT be accepted or reviewed.***

Application materials must be sent to Melissa Brodeur, NOSB Program Manager, at mbrodeur@oceanleadership.org.

Decisions will be made by the end of June 2022, and all applicants will be contacted whether they receive funding. An outside review team of educators, university scientists, and marine agency professionals will evaluate all applications. Selection will be based on evaluation of transcripts, SAT/ACT scores, recommendation letters, essays, and overall expressed interest in ocean and/or environmental science. Funding is dependent upon attending an institution of higher learning.

If there are any questions regarding the criteria or instructions listed above, please contact the National Ocean Sciences Bowl Program Office at (202) 448-1230 or email mbrodeur@oceanleadership.org.

Essay Questions for the National Ocean Scholar Program Application

Part I.

Below are two (2) essay topics for the National Ocean Scholar Program. Please choose one (1) of the topics and write an essay of 500 words or less.

- A. The first Ocean Literacy Principle states that “the Earth has one big ocean with many features.” Choose one oceanic feature and explain its significance to current societal impacts and our understanding of the ocean.

The Ocean Literacy Pamphlet can be found online at:

http://oceanservice.noaa.gov/education/literacy/ocean_literacy.pdf

- B. Take a position on one of the current challenges in ocean management (your choice) and write a persuasive argument to convince others to take this position.

Part II.

Please answer the following question in 250 words or less.

- A. Describe an experience that sparked your interest in the National Ocean Sciences Bowl. Explain how your interest in ocean sciences and participation in NOSB may lead to a future career in the ocean sciences or a related field. Be sure to include any information about planned college coursework (or other activities) relevant to your career choice.

Please include both your essays (Part I and Part II) with your other application materials in an email to Melissa Brodeur, NOSB Program Manager, at mbrodeur@oceanleadership.org.

National Ocean Sciences Bowl Ocean Scholar Program Application

I. Personal Information

Name (last) _____ (first) _____

Address _____

City _____ State _____ Zip Code _____

Phone number _____ Date of Birth _____

E-mail Address _____

Are you a citizen of the United States? Yes _____ No _____

If not, do you have a permanent visa? Yes _____ No _____

II. Academic Success

Be sure to enclose a recent OFFICIAL transcript showing courses and grades for your high school career and a copy of your SAT or ACT scores.

Your grade point average (based on a 0-4 scale) _____

(Reminder: If your GPA is NOT on a 4.0 scale, you MUST provide a conversion to the 4.0 grade scale signed by your high school principle or counselor)

Your SAT scores: Evidence-Based Reading & Writing _____ Math _____

III. Colleges/ Universities

List the colleges and/or universities to which you have applied or to which you are applying, and your anticipated course of study/major. You must be entering your first year of undergraduate studies with the intent on pursuing a career in marine sciences.

School	Major	Anticipated Coursework & Extracurricular Activities

IV. NOSB Participation

Number of years you have participated in NOSB: _____

V. Signature

I certify, to the best of my knowledge, the above and enclosed information is correct.

Signature

Date

Undergraduate School Verification

*I, _____ will be attending
_____ University/College beginning in the fall semester of
the year _____.*

UNDERGRADUATE SCHOOL INFORMATION

Name of University: _____

Anticipated Major: _____

Additional Information (if necessary): _____

Scholar's Signature

Date
