9.6 Question Category Descriptions

Sub Category Description	ription
Plate Tectonics	
Earth Structure	
Rocks and Minerals	
Sediments	
Geologic Time Scale	
Cosmology (when applicable)	
Waves	
Tides	
Currents	
Water Measures	
Water Properties	
Air-sea Interface	
Phase Change	
Electromagnetic Spectrum	
Thermodynamics	
Classification	
Ecology	
Anatomy and Physiology	
Behavior/Adaption	
Evolution	
Human defined/caused problems	
Biochemistry	
Atomic Structure	
Chemical Cycles	
	Plate Tectonics Earth Structure Rocks and Minerals Sediments Sea Floor Features Geologic Process Geochemistry Geologic Time Scale Cosmology (when applicable) Waves Tides Currents Water Measures Water Properties Air-sea Interface Phase Change Electromagnetic Spectrum Thermodynamics Classification Ecology Anatomy and Physiology Behavior/Adaption Evolution Human defined/caused problems Biochemistry Atomic Structure

Reactions in Seawater Laboratory Analysis Chemistry of Water Salinity Chemical Species Technology Research Vessels Remote Sensing Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names Oceanic Zones	_
Chemistry of Water Salinity Chemical Species Technology Research Vessels Remote Sensing Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Salinity Chemical Species Technology Research Vessels Remote Sensing Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Chemical Species Technology Research Vessels Remote Sensing Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Technology Research Vessels Remote Sensing Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Research Vessels Remote Sensing Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Remote Sensing Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Computer Modeling Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Bathymetry Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Diving Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Engineering Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Sampling Techniques Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Instrumentation Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Fishing Gear and Vessels Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Navigation Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Social Sciences The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
The Arts Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
Human Impacts History Map and Chart Reference Notable Scientists Geography Place Names	
History Map and Chart Reference Notable Scientists Geography Place Names	
Map and Chart Reference Notable Scientists Geography Place Names	
Notable Scientists Geography Place Names	
Geography Place Names	
Place Names	
Oceanic Zones	
Oceanic zones	
Marine Policy	
Coastal Law	
International Laws and Treaties	
Marine Protected Areas	
Fisheries Management	
Ecosystem Based Resource Management	
Unknown Any Question that does not fit into one of the other current defined categories	tly
